## Table of Contents

|                                                                               |    |
|-------------------------------------------------------------------------------|----|
| (a). Preliminaries.....                                                       | 3  |
| (b). Professional Bodies and Career affiliations .....                        | 3  |
| (c). Educational Background .....                                             | 4  |
| (i). Post-Doctoral Short Courses .....                                        | 4  |
| (ii). Research Trainings Attended .....                                       | 7  |
| (iii) Roles I Participated as a Trainer or Key note Speaker.....              | 7  |
| (iv). University Education (1989-2010).....                                   | 8  |
| (d). Work Experiences.....                                                    | 8  |
| (e). Writing and implementation of Strategic plans and ISO standards .....    | 10 |
| (f). Dissertations, Thesis and awards .....                                   | 10 |
| (g). Awards and Accolades.....                                                | 10 |
| (h). Peer Refereed Research Publications .....                                | 11 |
| (i). Published Presentations in International Conferences .....               | 27 |
| (j). Acknowledged in the following journal research papers (2009-2010).....   | 28 |
| (k). My July 2020 Google Scholar research citations .....                     | 29 |
| (l). Professional Appointments.....                                           | 31 |
| (m). Professional Boost Awarded Certificates .....                            | 34 |
| (n). Appointments as a University Examiner .....                              | 34 |
| (o). Appointments for Postgraduate Supervision for MSc and PhD students ..... | 36 |
| (p). Other Post Graduate University Students at Lecturer level.....           | 38 |
| (q). Workshops, Training and Symposiums attended.....                         | 39 |
| (r). Research fundings attracted .....                                        | 40 |
| (s). University Academic Programmes Developed and Reviewed .....              | 43 |
| (u). Appointment as a National University Auditor .....                       | 44 |
| (v). Other University Responsibilities involved .....                         | 44 |
| (w). Local Seminars and workshops I have presented and attended in 2011 ..... | 45 |
| (x). Other Symposiums and Seminars Attended and presented .....               | 48 |
| (y). International Seminars and workshop presented.....                       | 51 |
| (z). Crucial Extra Curriculum Activities Undertaken in SEKU .....             | 51 |
| (aa). Motivation Talks and Trainings I offered .....                          | 52 |
| (bb). Church Life and Community Service.....                                  | 52 |
| (cc). Plants / organisms which I have done research on .....                  | 53 |
| (cc). Referees .....                                                          | 54 |
| (dd). Appendix .....                                                          | 56 |

### (a). Preliminaries

**Name:** Prof. Josphert Ngui Kimatu, **PhD, Mphil, B.Sc., PGDE**  
**Specialist:** Plant Molecular Epigenetist, Plant Pathologist, Education Curriculum Specialist, Botanist, Agricultural Extension: Post-harvest Management Consultant, Commission of University Peer Reviewer, Integrity Assurance Officer, Microbiome Scientific Researcher, Environmental Assessment Expert (**EIA**)  
**Date of birth:** 17<sup>th</sup> August 1969  
**Gender:** Male  
**Marital status:** Married.  
**Language Proficiency:** English, Kiswahili, Kamba, Chinese.  
**Nationality:** Kenyan  
**Address** P.O. Box 2086-90100, Machakos, Kenya.  
Tel: +25470521571 and +254734907740  
Or  
Department of Life Sciences. South Eastern Kenya University P. O. Box 170-90200-Kitui, Kenya.  
[www.seku.ac.ke](http://www.seku.ac.ke)  
**Emails:** jkimatu@seku.ac.ke, Josphert@yahoo.com, josphertk@gmail.com  
**Website:** www.josphert.com

### (b). Professional Bodies and Career affiliations

1. Member of the European Commission Experts (No. **EX2019D345173**)
2. Member of African Biotechnology stakeholders' forum (**ABSF**),
3. Member of Chinese Society for Cell Biology (No. **S232200179A**)
4. Reviewer in the African Journal of Biotechnology- 2011, Impact factor- 0.560
5. Editorial Board Member of the online journal of Chemical Engineering and material Science.
6. Editorial Manager for the journal of Mycoscience, published by the mycological Society of Japan.
7. Editorial Board Member of the online journal of Advanced Research in Biology – 2019 to date.
8. Editorial Board Member of the online Journal of Applied Environmental and Biological Sciences (**JAEB**S).
9. Honorable Editorial Board Member for International Journal of Pharmacognosy & Chinese Medicine. March 2018- to date

10. Editorial Board member of the Journal of Microbiology and Laboratory science (**JMLS**)
11. Member of the Society of African Journal Editors (**No. 56588**).
12. Member of the Editorial Board of the Journal of Economics and management. 2018 - April 21, 2019
13. My ORCID number **0000-0003-0861-2151**
14. NEMA as an expert EIA; Cert No. C045 – 2019 and Expert Registration number **NEMA/EIA/ER/10718** and expert licensing No. **NEMA/EIA/EL/16967**.
15. Registered and Licensed in the verifier Category in **Applied Biology** having met the requirements of Section 23 of the TVET Act, 2013: License No: **TVETA/V230350**. Valid up to 25 Oct 2026. Serial No. **TVT2023100308**.
16. Member of the Quality Network Biodiversity Kenya.
17. Legal entity appointed representative (**LEAR**) appointment for the South Eastern Kenya University (PIC no. **912415854**) for the European Union, Funding and Tenders since 4/10/2019.
18. Editorial Board Member, Journal of biomedical and biological sciences - 2020
19. Editorial Board Member, International Journal of Science and Research Development-2022
20. Member Australian Awards Alumni, and Africa Australia Awards (AAA), Focused on Post-harvest management in cereals and pulses, since 2012 to date.

### **(c). Educational Background**

#### **(i). Post-Doctoral Short Courses**

1. **The University of Nairobi, Kenya:** Certificate in automation for research and diagnostics in molecular biology. Diagnostic of infectious diseases at the molecular level using high throughput computerized flat-forms. 24<sup>th</sup>- 26<sup>th</sup> June 2014.
2. **Stellenbosch University, South Africa:** Concepts in post-harvest management of maize, Legumes and rice. May 14<sup>th</sup> - May 25<sup>th</sup> 2012.
3. **The University of Sydney, Australia:** Storage, handling, integrated pest management in grains, management of Aflatoxin in maize and peanut, plant breeding, Economics of post-harvest management. May 26<sup>th</sup> – June 23<sup>rd</sup> 2012.
4. **The Kwame Nkrumah University of Science and Technology, Ghana:**

Proposal writing, stakeholder engagement and evaluation and monitoring of project. Rural project appraisal. May 26<sup>th</sup> – July 20<sup>th</sup> 2012.

5. **The University of Lund, Sweden.** Agricultural education and the formation science parks using the triple helix model of university, industry and government. **Sept 2015.**
6. **The Technical University of Munich, Germany:** Reconciling human needs with environmental conservation and ecosystem services. Oct – **Nov 2016.**
7. **University of Sheffield, United Kingdom:** Online course *Future learn* Courses on “**How to succeed at interviews**” certified on 23<sup>rd</sup> November 2014.
8. **The University of Melbourne, Australia,** Online Coursera Course on “**Epigenetic Control of Gene Expression**: verify no. LPHBFHNY5SCT, 2016.
9. **Goldsmiths, University of London,** United Kingdom, online course *Future learn* Courses, entitled, “**Prepare for Career Success at University**” certified on **10<sup>th</sup> September 2016.**
10. **The Open University, United Kingdom,** online course in *Future learn* Courses, entitled, “**Childhood in the digital age**” certified on **21<sup>st</sup> August 2016.**
11. **The University of Auckland, New Zealand,** Online course in *Future learn* Courses, entitled, “**Academic Integrity: Values, Skills, Action**” certified on **7<sup>th</sup> December 2014.**
12. **University of Groningen, University of Cambridge** and University Medical Center Groningen (UMCG); Course entitled “**Young People and their Mental Health.** Futurelearn. **May 2019.**
13. **South Eastern Kenya University., Kenya.** Environmental Impact Assessment and Audit (EIA) as per National Environment Management Authority (**NEMA**) Syllabus. Qualified in the Expert Category. **3<sup>rd</sup> to 19<sup>th</sup> June 2019.**
14. **World Health Organization, WHO,** Health emergencies, training Certificate in Infection Prevention and Control (IPC) for Novel Coronavirus (**COVID-19**). **April 1<sup>st</sup> 2020.**
15. **London School of Hygiene and Tropical Medicine. UK,** Training certificate on **COVID-19: Tackling the Novel Coronavirus.** **4<sup>th</sup> April 2020.** Trainers included the UK Public Health Rapid Support Team. Futurelearn.

16. **Soybean Innovation Lab**, Training certificate on integrated pest management and pesticide safety (IPM). **7<sup>th</sup> April 2020**.
17. **Hame University of Applied Sciences**, Netherlands **Problem Based Learning** (PBL) Teacher Training 2021, 5 ECTS (1 ECT = 27 hours) at. (Dec 2021).
18. **Hame University of Applied Sciences** Netherlands.: **Online and Distance Learning** (ODL) Teacher training 2021, 5 ECTS (1 ECT = 27 hours) at Hame University of Applied Sciences. PBL BioAfrica.
19. **Commission of University Education (CUE)**; Training on University Academic Accreditation for Reviewers on the use of online platform. Training at Naivasha Kenya, 19<sup>th</sup> to **24<sup>th</sup> February 2022**.
20. **South Eastern Kenya University**, Training on **Information Security Management Systems (ISMS)**, Details on the ISO 27001 standards and the ISO IEC 27001 certification; on **14<sup>th</sup> December 2020**.
21. **Competency Based Curriculum (CBC)** in Higher Education implementation Trainer of Trainers Training at South Eastern Kenya University. **24<sup>th</sup> - 25<sup>th</sup> Feb 2022**.
22. Certificate of Completion on Online Teaching and Creating Courses for Adult Learners (12 weeks) - **Digital Education for Universities**, A micro credential course by Skills for Prosperity Kenya. Open University, United Kingdom, UK, **27 September 2021**.
23. Certificate of Completion on **Digital Education for Universities**- Open University, commissioned by skills for prosperity, Kenya. **13 July 2022**. Sponsored by UKaid.
24. Certificate of Ordination on completing a training as a minister of the Gospel of Jesus Christ. Awarded by the internationally accredited, **Team Impact Christian University (TICU)**, Baton Rouge, USA, on **14<sup>th</sup> February 2024**.
25. Certificate in **Cybersecurity and Emerging Technologies Awareness**. Trained by the ICT Authority of Kenya in collaboration with Capabuil on **6<sup>th</sup> February, 2025**.
26. **Africa Servant Leadership Development Institute (ASLEAD)**. A six-month-88 credit hours Certificate Training in Servant Leadership. The course is

officially certified by the National Industrial Training Authority (NITA) of Kenya (**January 2025- 13<sup>th</sup> June 2025**). Passed with **Distinction A**.

## **(ii). Research Trainings Attended**

1. **University of Purdue - LASER PULSE**, Course: *Laser Pulse Research to Translation Training*. Date of Certificate Award, 22<sup>th</sup> October **2019**. Sponsored by USAID, Indiana University, Makerere University, University of Notre Dame and CRS.
2. **Nature Journal, Nature Master Classes**. Course: Focus on Peer Review. Date of Certificate Award: 20<sup>th</sup> September 2019.
3. **University of Purdue USA**- Long-term Assistance and Services for Research: Partners for University-Led Solutions Engine (**LASER PULSE**), Course: *Gender Analysis in Research and Application*. Date of Certificate Award, 24<sup>th</sup> October **2019**. Sponsored by USAID, Indiana University, Makerere University, University of Notre Dame and CRS.
4. **HAMK Häme University** of Applied Sciences, Finland and Aalto University, Finland: Training on Problem based learning (PBL) and Design thinking for the IDBM and PBL-BioAfrica project; on **January 2021** via Zoom webinar.
5. **University of Purdue USA**, Training on review of international proposals. The training was applied in the Selection Procedures for the LASER PULSE Request for Application (RFA); on **January 2021**, via Zoom webinar.

## **(iii) Roles I Participated as a Trainer or Key note Speaker**

1. Trainer Certificate in **Level I training** on Digital Resources for advancing innovation and Technologies in Agriculture at South Eastern Kenya University on **28<sup>th</sup> November 2023**.
2. Trainer Certificate in **Level II training** on Capacity Building in Agripreneurship at South Eastern Kenya University on **2<sup>nd</sup> April 2024**.
3. Trained **Garissa University**, Kenya staff on Research Grant winning writing proposal, Team Building and publications on **21<sup>st</sup> to 23<sup>rd</sup> June 2024**.
4. Trainer at **Scott Christian University**, Machakos, Kenya staff on Research Grant Writing for Funding and Publications Workshop on **22<sup>st</sup> to 23<sup>rd</sup> May 2025**
5. Appointed as the **Key Note Speaker** at the launch of two University levels books in **Result Based Leadership and Strategic Management for Competitive Advantage** by the DVC of Scott Christian University, Machakos. The Author was Dr. Daniel Barante on **3<sup>rd</sup> April 2025**.
6. Appointed as the **Key Note Speaker** at the **Dryland Agriculture and Food Systems in the face of Climate Change Conference** held on **27<sup>th</sup> June 2024** at the International Livestock Institute (ILRI), Nairobi. Organized mainly by Lukenya

University, IRLI, AGRA, ICCSA, Kick start, EDsource, etc.

#### (iv). University Education (1989-2010)

- 1). **NORTHEAST NORMAL UNIVERSITY** – Changchun City, China  
**2006-2010: Achieved: Doctorate** in Molecular Plant Epigenetics  
**Research:** Aluminium Stress-Induced Alteration in Cytosine DNA Methylation and Its Possible Association with the Genotypic Differences in Tolerance to Aluminium toxicity in Maize.
- 2). **MOI UNIVERSITY** – Eldoret, Kenya  
**1993 – 1999: Achieved: Master** of Philosophy in Forest pathology (Mphil)  
**Research:** Studies on the causes of a leaf- spotting disease on *Grevillea robusta* cunn. Ex.Br. in Yala and Koderia forests in Nyanza province, Kenya
- 3). **MASENO UNIVERSITY:** Maseno. Kenya  
**1998-1999: Achieved:** Post Graduate Diploma in Education (**PGDE**).  
**Research:** A case study of the relatedness and Homogeneity of continuous assessment and final examination results in Biology and chemistry in Kuinet Secondary school, Uasin Gishu District, Kenya.
- 4). **MOI UNIVERSITY** – Eldoret, Kenya  
**1989-1993: Achieved: Bachelor** of Science in Botany (BSc.)  
**Research:** A case study on the Genetic resources of *Sisymbrium erysimoides*.
- 5). **JOMO KENYATTA UNIVERSITY OF AGRICULTURE AND TECHNOLOGY, NAIROBI**, Kenya  
**2001: Achieved:** Certificate in pharmaceutical and Herbal Medicine Technology.  
**Research:** Extraction of Alkanoids from *Acacia Drepalonobium* and the Anti-microbial activity on Bacteria, Fungi, and Marine shrimps.
- 6). **UNIVERSITY OF NAIROBI**, Kenya  
**2014:** Certificate in diagnostics in Molecular Biology.

#### (d). Work Experiences

2023 -To date: **Associate Professor**, School of Science and Computing, Department of Life Sciences, Director of Wote Campus of South Eastern Kenya University, Supervising/Teaching Molecular Biology, Genetics, Epigenetics, Microbiology, Botany, Plant Physiology, Biodiversity and Conservation to PhD, Masters, Bachelor and Diploma students.

17-24<sup>th</sup> July 2024 Appointed as the **Overall Team Leader** in shortlisting the Open University of Kenya (**OUK**) Academic and Administrative Staff as a **Technical Expert**. We reviewed over 19,000

Applicants, Shortlisted 600 staff and Recommended Candidates for Interview. The exercise was coordinated by the Public Service Commission (**PSC**). It was held for one week in Naivasha, Kenya.

- 2014 - 2020     **Senior Lecturer**, Department of Life Sciences, successfully served as the **Director of Research Innovation and Technology** at South Eastern Kenya University for two terms (2014-2019). A Senior University Lecturer at South Eastern Kenya, teaching Molecular Biology, Genetics, Epigenetics, Microbiology, Botany, Plant Physiology, HIV and AIDS and Public health to PhD, Masters, Bachelor and Diploma students. (**26<sup>th</sup> August 2014**)
- 2015- 2018     **Part Time Senior Lecturer** at Pan Africa University (**PAUSTI**) at Jomo Kenyatta University, lecturing only to Masters and PhD students in Biotechnology and Molecular Biology.
- 2010-2014     **Lecturer** at South Eastern Kenya University (**PF No. AA249**), Lecturing at the Department of Biological Sciences at the school of Pure and Applied Sciences. (**22<sup>nd</sup> September 2010**)
- 2008 - 2010     **University Lecturer** at Northeast Normal University, teaching epigenetics to Master and PhD Students.
- Oct 2009        **University Lecturer** at Northeast Institute of Geography and Agriculture, in China. Taught PhD students (Research Methods course)
- 2007-2010     **University Lecturer** at Changchun Institute of Applied Chemistry Chinese Academy of Sciences, in China. Taught Masters and PhD students (Research Methods course)
- 1993-2006     **High School Teacher** with TSC (No. **338009**) at Ndoo sec school, Machakos, Kuinet RCEA secondary school, Uasin Gishu, Ukia Girls Secondary school and St Paul Kyamuthei Secondary school, Makueni in Kenya and at Machakos Technical College, teaching Biology and Chemistry as Head of Department. Appointed as Graduate **T1**, Ag Deputy Principal, Head of Department, Class teacher, Football Coach, CU Patron, Makueni District Science Teachers Association Secretary, yearly Trained with **SMASSE** at Makueni District, and trainer of trainers at **CEMASTE**A and Kenya National Examination Council (**KNEC**) trained examiner for Chemistry (No. **0491**)

#### **(e). Writing and implementation of Strategic plans and ISO standards**

1. Involved in the National Research fund (NRF) strategic plan **2016-2020**
2. Involved in the Machakos County strategic plan, **2013-2017**.
3. Involved in the Machakos development forum agricultural strategic plan **2012-2022**
4. Involved in the drafting the South Eastern Kenya University, Directorate of Research, Innovation and Technology strategic plan, **2018- 2025**.
5. Was trained and participated in the **ISO 9001 2008** Quality Management Systems process of South Eastern Kenya University.
6. Participated in the qualification of **ISO 9001 2015** Quality Management Systems process of South Eastern Kenya University as Director of Research, Innovation and Technology where the directorate emerged as the **best section** in SEKU after KEBS evaluation.

#### **(f). Dissertations, Thesis and awards**

1. **Title:** *Aluminum Stress-Induced Alteration in Cytosine DNA Methylation and Its Possible Association with the Genotypic Difference in Tolerance to Aluminum toxicity in Maize*. Supervised by Prof. Liu Bao, **PhD Thesis**, at Northeast Normal University, Changchun City, China. (**CSC sponsored**)
2. **Title:** *Studies on the causes of a leaf spotting disease on Grevillea robusta in Yala and Koderia Forests in Nyanza Province, Kenya*. Moi University, **M.Phil. Thesis** 1999 (Published). Supervised by Dr. H.O. Kojwang and Dr. J.K. Koech, P.O. Box 3900, Eldoret. Kenya. (**Kenya Govt./ICRAF sponsored**)
3. **Title:** *The Genetic Resource of *Sisymbrium erysimoides* desf. In Uasin Gishu District, Kenya*. **B.Sc. Thesis**, at Moi University, Kenya, Supervised by Prof. S. Baquar. (**Kenya Govt. sponsored**)
4. **Title:** *Extraction of Alkaloids from *Acacia Drepanolobium* and the Anti-microbial activity on Bacteria, Fungi and Marine Shrimps*. **Certificate Project**, at Jomo Kenyatta University of Agriculture, Nairobi, Supervised by Prof. T. Akenga. (**Self sponsored**)

#### **(g). Awards and Accolades**

1. **9<sup>th</sup> January 2019:** Awarded an **appreciation** letter by the South Eastern Kenya University Council, Management and Senate for the positive roles and impact I contributed as the Director of Research, Innovation and Technology for two terms from 2014-2019.

2. **17<sup>th</sup> September 2014:** Awarded a **Patent** no. **KE/U/2014/000451** for a Utility Model innovation on low cost smoked pots for water purification by KIPi through KIRDI.
3. **Dec 2014** Awarded a certificate for **excellence** in peer referred Research Journal publications for the year 2013/2014 by the South Eastern Kenya University.
4. **17<sup>th</sup> July 2013:** Awarded an **appreciation** letter by the university management of South Eastern Kenya University for a great role played as a member of the exhibition committee by the Vice, Chancellor.
5. **30<sup>th</sup> January 2012:** Awarded an **appreciation** letter by the South Eastern Kenya University management for successfully applying for book funding from global literacy project worth Kshs 12m for SEKU by the Vice, Chancellor.
6. **9<sup>th</sup> September 2014:** Awarded a certificate of **excellence** by the National environmental trust fund (**NETFUND**) green innovations award, for the water purification category innovation award by the Kenya first lady, Margaret Kenyatta at safari park, Nairobi.
7. Certificate of **excellence** in Chinese character writing competition in **2007** by the Northeast Normal University linguistic department.
8. Certificate in culture display at the International exhibition at Northeast Normal University in Changchun city, in China, **2007**.
9. Certificate in excellence in Chinese language **proficiency** at Northeast Normal University in Changchun in **2008**.
10. Awarded a trophy as the best-behaved foreign student at Northeast Normal University in China, **2010**.
11. Certificate as a CCTV 9 English contest **2007** Judge at Changchun University, Changchun City, China by the *China Daily Newspaper*.
12. Certificate as a Judge in *21<sup>st</sup> Century Daily newspaper* English speaking competition at Changchun University, Changchun on **4<sup>th</sup> June 2008**
13. Judge in *China Daily newspaper* in English speaking competition at Changchun University, Changchun on **22<sup>nd</sup> November, 2008**
14. Was the **GRAND PRIZE winner** for the March **2009** global DNA Methylation Survey sponsored by Applied Biosystems.
15. Awarded a business letter of appointment as an **honorary** representative for Changchun high technology development zone, by Changchun city Jilin, province, China. on **May 2010**.

#### **(h). Peer Refereed Research Publications**

##### **Year 2026**

1. **Josphert Kimatu. (2026).** Strategies to overcome the Challenges in

Translating research into Commercialization in Kenya Research Institutes”, Asian Journal of Science and Technology, 17, (01), 14058-14062. **(January 2026)**

2. **Kimatu, J. N.**, Munyao, C. M., Maithya, H., Musyoka, S. N., Muriu, F., Kiruki, H., Ngei, I., Wafula, H., Mbuthia, K. & Matata, J. (2026). Farmer Managed Natural Regeneration (FMNR) as a Catalyst for Land Resource Restoration: Insights from Selected Kenya Counties. *African Journal of Climate Change and Resource Sustainability*, 5(1), 220-235. <https://doi.org/10.37284/ajccrs.5.1.4808>. **(April, 2026)**
3. **Josphert N Kimatu. (2026).** “Cross Direction Determines Maternal Effects and Seed Morphometric Heterosis in Common Bean (*Phaseolus vulgaris* L.) Under Semi-Arid Conditions”. *Acta Scientific Agriculture* 10.4 (2026): 24-29. **(April, 2026)**
4. Mbuthia, Kezia, Harrison Maithya, Felista Ng’ang’a, **Josphert Kimatu**, Carol Munyao, Harun Kiruki, Lucy Ngei, Humphrey Wafula, and Joseph Matata. **(2026).** “Gender Roles and Participation in Farmer-Managed Natural Regeneration Practices in Selected Areas of Makueni, Narok, and Kajiado Counties, Kenya, Kenya” *East African Journal of Agriculture and Biotechnology* 9 (1), 476-494. <https://doi.org/10.37284/eajab.9.1.4869>. **(April, 2026)**
5. Ngei, Lucia, Carol Munini Munyao, Harrison Maithya, Haron Kiruki, Felista Ng’ang’a, **Josphert Kimatu**, Humphrey Wafula, Kezia Mbuthia, Benjamin Muli and Joseph Matata. **(2026).** “Empowering Women in Farmer-Managed Natural Regeneration Practice: An Analysis of Socio-Cultural Determinants in Selected Counties of Kenya” *East African Journal of Agriculture and Biotechnology* 9 (1), 512-532. <https://doi.org/10.37284/eajab.9.1.4875>. **(April, 2026)**

6. Kiruki, Harun, **Josphert N. Kimatu**, Carol Munini Munyao, Harrison Maithya, Sonia Nzilani Musyoka, Felistus Muriu, Lucy Ngei, Humphrey Wafula, Kezia Mbuthia, and Joseph Matata. 2026. "Economic Benefits of Farmer-Managed Natural Regeneration Practices in Selected Semi-Arid Counties of Kenya" *East African Journal of Agriculture and Biotechnology* 9 (1), 495-511. <https://doi.org/10.37284/eajab.9.1.4874>. (April, 2026)

### Year 2025

1. Mimmie Du Toit and **Josphert Kimatu**, (2025). Know to Grow. Webtech Publishers, ISSN: 978-9914-37-766-8. (March 2025).

## **(I). Professional Appointments**

1. **21<sup>st</sup> August 2025**, Appointed Chairman of the Wote Campus of South Eastern Kenya University Library Committee.
2. **24<sup>th</sup> October 2023**, Appointed as the Director of Wote Campus of South Eastern Kenya University at Makueni County.
3. **6<sup>th</sup> September 2022**: Appointment as a member of the University HIV and AIDS control Unit for a period of two years.
4. **28<sup>th</sup> September 2022**: Appointment in to the intellectual Property Management Committee of South Eastern Kenya University.
5. **11<sup>th</sup> January 2022**: Appointed as the Chairman of South Eastern University Staff Development Committee.
6. **25<sup>th</sup> October 2021**: Appointed to the Research and Ethics subcommittee of the Directorate of Research Innovation and Technology of South Eastern Kenya University.
7. **28<sup>th</sup> April 2021**: Appointed to the tender evaluation Committee of the South Eastern Kenya University.
8. **4<sup>th</sup> October 2019**: Appointed as the legal entity appointed representative (LEAR) for the PIC **912415854** of SEKU to the EU for Research funds.
9. **23<sup>rd</sup> October 2019**: Appointed to the career services committee of South Eastern Kenya University Under University statute 39 (5).
10. **19<sup>th</sup> June 2019**: Appointed Chairman of Tuck Shop Evaluation of tenders of South Eastern Kenya University as guided by PPADA 2015.
11. **1<sup>st</sup> March 2018 to date**: Appointed to the promotions and Appraisal committee of non-teaching staff of South Eastern Kenya University.
12. **1<sup>st</sup> March 2018**: Appointed member of the management Board for Linkages and International Programmes in South Eastern Kenya University.
13. **27<sup>th</sup> April 2018**: Appointed to the implementation team of the information security management system (ISMS) for South Eastern Kenya University.
14. **18<sup>th</sup> April 2018**: Appointed to the management Board of Research, innovation and Technology of South Eastern Kenya University. As guided by Universities statutes part IV (27) (4).
15. **22<sup>nd</sup> March 2018**: Appointed to the Senate AD-HOC committee on promotions. To approve appointment and promotion criteria for academic staff.
16. **1<sup>st</sup> March 2018**: Appointed to the committee to write the self-assessment report for SEKU, this was to form the basis of the regular institution quality audit by the Commission of University Education.
17. **1<sup>st</sup> March 2019 to date**: Appointed as a member of the HIV and AIDS

control Committee of South Eastern Kenya University.

18. **Sept 2018**; Appointed as an international coordinator of Biomass Net in the category of Health Food and nutrition as the theme coordinator for "Health and nutrition": <https://www.biomassnet.org/thematic-areas/health-and-nutrition/>.
19. **27<sup>th</sup> January 2017** appointed as a member of the staff development committee in the South Eastern Kenya University. The committee is to review staff training requests and aligning them to the university training needs assessment report (2016) and make appropriate recommendations to the management Board for decision.
20. **23<sup>rd</sup> January – 3<sup>rd</sup> February 2017**. Appointed into a panel to carry out a quality audit inspection of all universities and university colleges authorized to operate in Kenya. In this exercise, I was in the panel sub group that inspected Kenyatta University, KCA University, Jaramogi Ongiga Ondiga University of science and Technology and Uzima University College.
21. **16<sup>th</sup> February 2016**: Appointed as member. To the Evaluation Committee for Laboratory Equipment Chemicals and Drugs by the Vice Chancellor, SEKU. The Chairman, Prof Michael Kiptoo
22. **19<sup>th</sup> January 2016**. Appointed as member in the Management Board of Linkages and International Programmes. By the Vice Chancellor, SEKU, Chairman, Prof Thomas Akuja
23. **27<sup>th</sup> January 2016**: Appointed To represent SEKU at the Forum for sensitization on the Kenya Science, Technology and Innovation (KESTI) Awards scheme at Embu, KARLO. Sponsored by Ministry of education, science and technology.
24. **15<sup>th</sup> October 2015**: Appointed as the Chairman for the Academic Integrity Policy Committee. DVC ARSA to develop a University academic integrity policy
25. **26<sup>th</sup> May 2016 to date**: Appointment as member to represent the senate in the Promotion and Appraisal AD HOC Committee for Teaching Staff by the Vice Chancellor. The Chairman, Prof, Michael Kiptoo
26. **16<sup>th</sup> September 2013**: Appointment as a member To the School of Pure and Applied Sciences Board Subcommittee to develop a BSc General Degree. Appointed by the Dean of SPAS, Dr. Onesmus Maweu
27. **2<sup>nd</sup> October 2013**: Appointment as member of the AD HOC committee to develop academic programmes in the school of health sciences by the Vice Chancellor. South Eastern Kenya University. The Chairman, Prof Titus Kanui.
28. **19<sup>th</sup> April 2016**: Appointed as a Part Time Lecturer at the pan African University, Institute for Basic Sciences, Technology and Innovation (PAUSTI). To teach PhD, Molecular Biotechnology

29. **6<sup>th</sup> December 2016:** Received a Renewal of appointment as Director of Research, Innovation and Technology (DRIT) for South Eastern Kenya University, by the Vice chancellor, SEKU
30. **8<sup>th</sup> January 2015:** Appointed as the Director of Research, Innovation and Technology (DRIT), SEKU, by the Vice Chancellor, SEKU
31. **3 July 2014:** Appointment as a Senior Lecturer in Plant Sciences at Kenyatta University.
32. **21<sup>st</sup> November 2012:** Appointment as the Coordinator HIV and AIDS control unit, South Eastern Kenya University
33. **9<sup>th</sup> September 2015:** Appointment as a time lecturer to teach population genetics and principles of biochemistry at Machakos university college
34. **31<sup>st</sup> May 2016:** Appointment as a Part time lecturer to teach survey of the plant kingdom and introduction to ecology and bioanalysis at Machakos university college
35. **17<sup>th</sup> May 2016:** Appointment as a Part time lecturer to teach Environmental Biochemistry and phytopathogens at Machakos university college.
36. **6<sup>th</sup> August 2015:** Appointment as a member, to the Committee on HIV and AIDS Control. South Eastern Kenya University, Chair, Prof Zipporah Nganga.
37. **31<sup>st</sup> October 2014:** Appointment as Part time lecturer to teach general mycology, crop physiology, agricultural botany and microbiology at South Eastern Kenya University
38. **26<sup>th</sup> January 2015:** Appointment as a Part time lecturer to teach HIV and AIDS, biosafety and intellectual property at South Eastern Kenya University
39. **17<sup>th</sup> November 2015:** Appointment as a member to the university editorial committee, South Eastern Kenya University Chairman, Osir Otteng
40. **26<sup>th</sup> August 2014:** Appointment on promotion as **senior lecturer** grade 13 at South Eastern Kenya university.
41. **5<sup>th</sup> December 2011:** Appointment as a member of the South Eastern Kenya University Exhibition committee by the Vice Chancellor
42. **24<sup>th</sup> March 2014:** Appointment as a prequalified peer reviewer – contract of 4 years by the Commission for University Education, Kenya.
43. **25<sup>th</sup> May 2013:** Appointment as the chief guest during the 2014 northern region Kenya science and engineering fair, held on 31 may 2014, at Mulango girls' secondary school, Kitui, county, Kenya
44. **8<sup>th</sup> September 2011:** Appointment as a member to the catering and hospitality subcommittee on the official opening of the office and tuition block phase 1. SEKU. Chair, Dr. Patricia Muendo
45. **14<sup>th</sup> October 2014:** Appointment as a Motivational speaker at *I Can Fly*

High School, at Machakos. By Sha Givens.

46. **25<sup>th</sup> June 2014** Appointment as a member of the institutional biosafety committee of South Eastern Kenya University, by the Vice Chancellor
47. **19-23 November 2018**: Appointed to organize an **International Conference** in SEKU, together with Umma university, Machakos University, Lukenya University. This was successfully organized. The Theme of the conference was **harnessing dry land resources for sustainable livelihoods in the era of climate change**. It was held on 19-23 November 2018.

#### **(m). Professional Boost Awarded Certificates**

1. **18<sup>th</sup> November 2015**. Awarded a Certificate after Training on institutional Biosafety Committee on compliance to biosafety ACT No. 2 of 2009 and its regulations at South Eastern Kenya University sponsored by KEPHIS, National Biosafety Authority and SEKU.
2. **22<sup>ND</sup> – 26<sup>th</sup> February 2016**: awarded a certificate as an **Integrity Assurance Officer** after a training at Kenya Forestry Research Institute, Kitui Branch, sponsored by SEKU and EACC
3. **11<sup>th</sup> – 12 November 2014**: Awarded a certificate as a **University External peer reviewer** after training by the Commission for University Education (CUE) at the Kenya School of monetary studies, Nairobi, Kenya. Have participated in auditing of Universities in Kenya and in accreditation of University programmes with CUE.
4. **2016**: Appointed as a **National Research Proposal Reviewer** by the National Research Fund (NRF) and have participated in the review of national research proposal.

#### **(n). Appointments as a University Examiner**

1. Appointed as the external examiner for Pan African University of Science Technology and Innovation (PAUSTI) for the PhD student Mutinda, Sylvia Mbula, Reg No. MBB401-4003/19. Title of Thesis: Genomic Characterization of Durable and Broad Spectrum Striga Resistance in Sorghum.
2. Appointed as an External Examiner of Machakos University, School of Pure and Applied Sciences, **February 2022 to date**.
3. **27<sup>th</sup> August 2019**. Appointed as an internal examiner of Mumbu Dominic Mutisya- I501/KIT/20568/2014, Masters Defense, entitled; **Assessing the utilization and socio-economic benefits of *Osyris lanceolate* and associated environmental degradation impacts in Kitui County** at South Eastern Kenya University.
4. **5<sup>th</sup> February 2019**. Appointed as an internal examiner of John Kyalo Mutua-

- A56/MAC/20104/2012, Masters Defense, entitled; **Factors Affecting Goat and Sheep Milk Consumption in Arid and Semi-Arid Lands of Kenya**.at South Eastern Kenya University.
5. **04 September 2018**. Appointed as an **external examiner** of Machakos University.
  6. **19<sup>th</sup> April 2018**; appointed as an internal examiner for Miriti Kinya Naomi, Reg. No. 165/KIT/20497/2014, Entitled: **Impact assessment of HIV and arid education on online partners and spouse seekers in Kenya**.
  7. **19<sup>th</sup> December 2017**: appointed internal examiner for MSc Thesis of Charles Ndungu Thuo, A56/KIT/20095/2012. Entitled; **Factors affecting adoption of tissue culture bananas in the semi-arid areas of lower eastern region of Kenya**.
  8. **29<sup>th</sup> November 2017**. Appointed as a MSc internal examiner for Irene Njeri Koima, Reg. No. A56/MAC/20628/2015. Entitled; **Evaluating response to cassava virus infection among selected cassava genotypes under green house and field assays in Kenya**.
  9. **6<sup>th</sup> March 2017**; Appointed as MSc internal examiner for Stephen Mutuku Musyoka, Reg. J56/KIT/20140/2012. Thesis **entitled: factors influencing dairy goat milk production in Kitui Central subcounty**.
  10. **16<sup>th</sup> February 2016**, appointed, as a PhD Internal examiner PhD for Enock Warida, Title: **Impact of regional agricultural projects on small farm sector productivity and socioeconomic growth in East Africa**. At South Eastern Kenya University, Kitui, Kenya.
  11. **20<sup>th</sup> January 2016**, Appointed as an MSc, Internal examiner for Esther Ndaisi Kioko, I150/NRB/20361/2013 on the Title, **Effects of light pollution on Hawkmoth distribution, diversity and abundance in Machakos County**, At South Eastern Kenya University, Kitui, Kenya.
  12. **9<sup>th</sup> December 2015**, Appointed as an Internal Examiner for MSc, Thesis on Environmental management. For Esther N. Kioko, reg No. I 1501/NRB/20361/2013 Entitled: **Effects of light pollution on hawkmoth distribution, diversity and abundance in Machakos county**, At South Eastern Kenya University, Kitui, Kenya.
  13. **8<sup>th</sup> December 2015** Appointment as an Internal Examiner for John Musyoki Maluki, A56/MAC/20103/2012 Thesis Title: **Factors affecting adoption of agroforestry practices by smallholder farmers in semi-arid lands in Kenya**, At South Eastern Kenya University, Kitui, Kenya.
  14. **25<sup>th</sup> January 2016**: appointed as an Internal examiner for Mwobobia Royford Muragiri, J56/KIT/20137/2012, Thesis Title: **Challenges facing chicken farmers in Katulani District, Kitui County**. At South Eastern Kenya University, Kitui, Kenya.

### **(o). Appointments for Postgraduate Supervision for MSc and PhD students**

1. **29<sup>th</sup> March 2016**: appointed as a PhD supervisor As **PhD** Thesis supervisor for NGOM BABA Reg No. MB400-009/15 of Pan Africa university at Jomo Kenyatta University of Agriculture and Technology. [Status: **Completed and Graduated**]

#### **Papers Published:**

- a) Baba Ngom, Edward Mamati, Ibrahima Sarr and **Josphert Kimatu. (2018)**. Aluminum toxicity vs salicylic acid effects in pearl millet methylome. Int. J. Adv. Res. 6(4), 517-524. ISSN: 2320-5407. **(April 2018)**
- b) Baba Ngom, Edward Mamati, Mame Fatoumata Goudiaby, **Josphert Kimatu**, Ibrahima Sarr, Diaga Diouf & Ndjido Ardo Kane. **(2018)**. Methylation analysis revealed salicylic acid affects pearl millet defense through external cytosine DNA demethylation, Journal of Plant Interactions, 13:1, 288-293, DOI: 10.1080/17429145.2018.1473515. **(May 2018)**
- c) Baba Ngom, Ibrahima Sarr, **Josphert Kimatu**, Edward Mamati & Ndjido Ardo Kane. **(2017)**. Genome-wide analysis of cytosine DNA Methylation revealed salicylic acid promotes defense pathways over seedling development in pearl millet. Journal of Plant Signaling & Behavior. Taylor & Francis. doi: 10.1080/15592324.2017.1356967. **(July 2017)**

2. **9<sup>th</sup> August 2016**: appointed as a **MSc** supervisor for a master student, Josephine Syombua Syanda, Reg No. A56/KIT/20570/2015 in Masters in Agricultural Resource Management, at South Eastern Kenya University, Kitui, Kenya. (status; **Completed and Graduated**).

#### **Paper Published:**

Josephine Syanda, Simon Nguluu, **Josphert Kimatu**, Boniface M. Mwami and David Karanja **(2018)**. The effects of physical properties of commonly grown bean (*phaseolus vulgaris* L) genotypes on cooking time in Machakos County, Kenya. **(June 2018)**

3. **19<sup>th</sup> September 2014**: Appointed as a **MSc** University supervisor for MSc student, Rhoda Kuisa, Masters in Agricultural Resource Management at South Eastern Kenya University, Kitui, Kenya. [Status: **Completed and Graduated**].

#### **Paper Published**

Rhoda N. Kuisa, **Josphert N. Kimatu**, Titus I. Kanui. (2017). Farmers Perception and the Highlights of the Sources of the Chronic Aflatoxin Contamination amongst the Inhabitants of the South-Eastern Region in Kenya. Journal of Advances in Agriculture. Vol 7(1). Pp. 976-987. (Jan 2017).

4. **23<sup>rd</sup> September 2015**: Appointed as **PhD** supervisor for a PhD student, name: Emily Kitivo, Reg No. I1701/MAC/30037/2014 in Environmental management at South Eastern Kenya University, Kitui, Kenya. [Status: **Completed and Graduated**]

#### Papers Published:

- a) Emily Kitivo, Gedion H Nyamasyo, **J.N. Kimatu** and Peter N. Ndegwa, (2016). Diversity and abundance of subterranean termites' engineers' islands of soil quality in different land cover types. Journal of Biodiversity and Ecological Sciences Vol. 5, Issue 3 ISSN: 2008-9287. (July, 2016)
  - b) Kitivo EN, Nyamasyo GH, Kimiti JM, **Kimatu JN.** (2018). Effects of Agro ecosystem Land Use Types on the Diversity, Abundance and Ecosystem Functions of Insect Pollinators. Expert Opin Environ Biol 7:1. doi: 10.4172/2325-9655.1000150. (February 2018)
5. **5<sup>th</sup> February 2018**: Appointed as supervisor for A PhD student Festus Mbatha Mutiso- E70/MAI/30020/2013 in the school of Environment and Natural Resource Management at South Eastern Kenya University. The Title of the research is **Phenological characteristics, wool yield and quality of selected provenances of *Calotropis Procera* in the South Eastern Dryland of Kenya.** [status; **Graduated**]

#### Paper Published:

- a. Festus Mbatha Mutiso, Jacinta Kimiti, Alice Muchugi, Agnes Gachui, Ramni Jamnadass, Jianchu Xu, **Josphert Kimatu** (2017). Introduction from the wild and growth characterization of three provenances of *Calotropis procera* (Ait) in a domesticated state in dry lands of South Eastern Kenya. Journal of Natural Sciences Research www.iiste.org, ISSN 2224-3186 (Paper) ISSN 2225-0921 (Online) Vol.7 No.24.
- b. Mutiso Festus Mbatha, Kimiti Malia Jacinta, Muchugi Alice Njeri and **Kimatu Josphert Ngui** (2021). The influence of seed transfer distance on the growth of *Calotropis procera* (ait) provenances in dry lands of South Eastern Kenya.

6. **30<sup>th</sup> June 2016**: Appointed as **MSc** Supervisor for a master student, Judy W. Wachira, Reg. No. A56/MAC/20411/2013 for Masters in Agricultural Resource Management on the Title: **an evaluation of different agro waste materials as substrates for the cultivation of oyster mushrooms (*pleurotus* spp) in semi-arid areas of Kenya**. At South Eastern Kenya University, Kitui, Kenya. Funded by NRF for the project 2018 [Status: **Defended Thesis – waiting graduation**]
7. September 2019. Appointed as MSc Supervisor for Diana Komu. Reg. No: A56/MAC/20363/2013 for Masters in Agricultural Resource Management on the Title: **Morphological and physiological characterization of *Phaseolus vulgaris* L. varieties productivity at Mua Hills, in Machakos County, Kenya**. At South Eastern Kenya University, Kitui, Kenya. [Status; **Publishing Data**].
8. 2020, Appointed as Msc Supervisor for Timothy Wambua for Master in Biochemistry, South Eastern Kenya University. [Status- **Publishing Thesis**]

**(p). Other Post Graduate University Students at Lecturer level**

**1. PhD. Level (2009)**

**Co- supervisor:** Prof Liu Bao

**Student:** Zhang J. F., of China

**University:** Northeast Normal University, China.

**Title of the Thesis:** Habitat fragmentation causes rapid genetic differentiation and homogenization in natural plant populations – A case study in *Leymus chinensis*. **Published in:** African Journal of Biotechnology (2009). Vol. 8 (15), pp. 3440-3447. **Completed and graduated.**

**2. Masters Level (2009-2012)**

**Co- Supervisor:** Prof Liu Bao

**Student:** Rebecca Simisola Agboola of Nigeria

**University:** Northeast Normal University, China.

**Title of the Thesis:** Morphological and cytosine DNA methylation changes induced by the alleviating effects of Boron (B) and Salt toxicity in *Sorghum bicolor* inbred line.

**Published:** Agboola Rebecca S., **Kimatu Josphert N.**, Liao Yu-Cai and Liu Bao. (2012). Morphological and cytosine DNA methylation changes induced by a combined effect of boron (B) and salt toxicity in *Sorghum bicolor* inbred line. African Journal of Biotechnology Vol. 11(48), pp. 10874-10881. (**14 June, 2012**). (**Completed and graduated**)

### **3. Masters Level (2011)**

**Co- Supervisor:** Prof Liu Bao

**Student:** Samuel Manthi of Kenya.

**University:** Northeast Normal University, China.

**Title of the Thesis;** Genomic changes triggered by abiotic stress and cytosine DNA methylation polymorphism in rice varieties. (**Completed and graduated**)

### **(q). Workshops, Training and Symposiums attended**

1. **2<sup>nd</sup> – 4<sup>th</sup> May 2017**. Research Skills and Proposal writing at South Eastern Kenya University, sponsored by Nuffic- **NICHE**
2. **14<sup>th</sup> June 2016**: National Research Fund (**NRF**) stakeholder workshop: Held at the KICC, Nairobi, Kenya.
3. **19<sup>th</sup> – 24<sup>th</sup> June 2016** Workshop on an approach for sustainable livelihood in the ASALs (**ASALI**):at the Eserian Hotel, Naivasha
4. **22<sup>nd</sup> November 2016**: National Research fund (**NRF**) strategic plan, stakeholders' validation workshop at the Nairobi safari club hotel, Kenya
5. **20<sup>TH</sup> - 23<sup>RD</sup> October 2016**: Workshop called **MOORE LANDSCAPE 2056** - visions for the development of the metropolitan region of Munich in Germany for the next 40 years at Freising, Munich, Germany sponsored by DAAD.
6. **28<sup>th</sup> April 2015**: Kenya National nanotechnology policy validation workshop at Nairobi Safari Club Organizers: National Commission for Science and Technology.
7. **7<sup>th</sup> March – 9<sup>th</sup> March 2016**: Workshop entitled: Reconciling human need and nature conservation in East African forest biodiversity hotspots at the National Museums of Kenya. sponsored by the **DAAD**, Technical University of Munich.
8. **22<sup>ND</sup> – 26<sup>th</sup> February 2016**: Integrity Assurance Officer Training at the Kenya Forestry Research Institute, Kitui Branch, sponsored by SEKU and **EACC**.
9. **16<sup>th</sup> -17<sup>th</sup> September 2015**: Edulink II Project fed 2013/320-148: Enhancing nutrition and food security through improved capacity of agricultural higher education institutions in East and Southern Africa-stakeholders workshop on effective teaching of agricultural sciences in

higher institutions of learning. Venue: Kenya Forestry Research Institute, Kitui Regional Center. Sponsored by **EU**, SEKU.

10. **18<sup>th</sup> November 2015**: Training on institutional Biosafety Committee on compliance to biosafety ACT No. 2 of 2009 and its regulations at South Eastern Kenya University, Sponsored by **KEPHIS**, National Biosafety Authority and SEKU.
11. **25<sup>th</sup> November 2015**: Joint **AAUN** Australia Awards Agricultural Research Symposium at Nairobi, Southern Sun Mayfair Hotel, Parklands. Sponsored by the University of Sydney.
12. **8<sup>th</sup> -10<sup>th</sup> October 2014**: Mining and agriculture symposium held at Speke Resort Munyonyo, Uganda, sponsored by the University of Sydney and **AAUN**.
13. **15<sup>th</sup> May 2014**: Molecular biology training workshop on automation for research and diagnostics in molecular biology held at Chiromo, the university of Nairobi, sponsored by **QIAGEN**.
14. **6<sup>th</sup> June 2013**: Disability mainstreaming workshop at the South Eastern Kenya University LT1, sponsored by the National Council of persons with disability

#### **(s). University Academic Programmes Developed and Reviewed**

1. **Curriculum for Bachelor of Science in Medical Botany:** Approved by South Eastern Kenya University Life Sciences Department, School of Pure and Applied Sciences, The Dean Committee and the University Senate.
2. **Curriculum for PhD in Biomolecular Forensic Technology:** status; the programme is at the Dean Level.
3. **Curriculum for Masters in Biotechnology** in South Eastern Kenya University
4. **2018:** Digitalized a full online course Unit in HIV and AIDS (**CCS 010**);
5. **2018:** Digitalized a full online course Unit of Mycology, (**SBL 311**).
6. **2020:** Digitalized a full online course Unit of Public Health, Title: Traditional and Complementary Medicine (**HPP 408**):
7. **2020:** Digitalized a full online course Unit of Applied Mycology (**SBL 301**)
8. **2020:** Digitalized a full online course Unit of Philosophy and History of Biology (**SBL 205**)
9. Highly involved in the development of Master and Bachelor Programmes in the school of Health and Nursing and School of Pure and Applied Sciences in South Eastern Kenya University, **2015-2019**.

10. Been an active participator in the review of University Masters, PhD and Bachelors programmes as a member of the South Eastern Kenya University **Deans Committee from 2014-2019.**

**(t). Universities programmes reviewed under the Commission of University Education (CUE).**

1. February 2022, Onsite assessment for the degree of **Bachelor of Science in Medical Microbiology** of Meru University of Science and Technology.
2. September 2019, Curriculum for the **Bachelor of Science in Medical Microbiology** of Meru University of Science and Technology.
3. September 2019, Curriculum for the **Bachelor of Science in Biochemistry** of Meru University of Science and Technology
4. September 2014, Curriculum for the **Bachelor of Science in Microbiology** of Kisii University.
5. November 2016, Curriculum for the **Bachelor of Science in Biochemistry** of Kisii University.
6. October 2017, Curriculum for the **Master of Science in Molecular Biology** of Meru University of Science and Technology.
7. June 2017, Curriculum for the **Bachelor of Science in Molecular Biology and Forensic Technology** of Technical University of Mombasa.
8. September 2016, Curriculum for the **Bachelor of Science in Biology** of Kisii University.
9. November 2016, Curriculum for the **Bachelor of Science in Biology** of Kisii University.

**(u). Appointment as a National University Auditor**

In January 2017 I was appointed by the Commission of University education (CUE) to audit the administration structure, academic programmes, ethnicity and academic infrastructure and University procedures in the following universities;

- a) Kenyatta University, Nairobi
- b) KCA University, Nairobi
- c) Tangaza University College of Catholic University of East Africa (CUEA), Nairobi
- d) Uzima University College in Kisumu
- e) JaramoNgi Oginga Odinga University of Science and Technology (JOOUST)

**(v). Other University Responsibilities involved**

1. **17<sup>th</sup> July 2017- 3<sup>rd</sup> August 2017 and May 2018;** Acted as the Director of

- Linkages and international programmes (**DLIP**) when the Director was on leave.
2. **19<sup>th</sup> January 2016-** To date: Appointed member of the Board of the Directorate of Linkages and International programmes (**DLIP**).
  3. **2017 May - September;** acted as the Director of Post graduate studies (**BPS**) when the Director was on leave.
  4. **January, 2012,** Appointed as the Associate Dean of students of South Eastern University College, a constituent College of Nairobi University.
  5. **Sept 2011:** Appointed as the Coordinator for the AIDS control Unit (ACU) of South Eastern University College.
  6. **April 2011:** Appointed to act as the Chairman of the Department of Biological Sciences of the South Eastern University College.
  7. **Oct 2010-2011:** Performed delegated duties of the Dean of Pure and Applied Sciences and represented the school in several Academic Board meetings.
  8. **April 2011:** was appointed as a member of the South Eastern University College Exhibition Committee.
  9. **Dec 2010 - July 2011:** Involved in the writing and defense of the strategic plan for the University (SEKU) and the School of Pure and Applied Sciences.
  10. **Jan- April 2011:** Involved in developing process of establishing a Scientific Journal for South Eastern University College called **SEUJOSAT**.
  11. **Oct. 2011:** Appointed as the Presiding officer for the Machakos and Email campuses of South Eastern University College for the South Eastern University College Student Organization (SEUSO).
  12. **5<sup>th</sup> May 2011- 22<sup>nd</sup> July 2011:** coordinated the establishment of a memorandum of Understanding (**MOU**) between South Eastern University College (SEUCO) and Northeast Normal University (NENU).
  13. **2010- 2015:** involved in the defense of proposed Biological department academic degree programs in diploma, bachelor and post graduate levels in the department, school and academic boards.
  14. **Oct 2015:** Instrumental in the development and the administration of a HIV/AIDS short courses for the School of pure and applied sciences in collaboration with national bodies like KARA, NACC and NASCOP, Aphia Plus Kamili.

**(w). Local Seminars and workshops I have presented and attended in 2011**

1. **4<sup>th</sup> March 2011,** submitted a paper at Intercontinental Hotel in Nairobi, entitled “Exploiting the resources in the South Eastern Region” to investment delegates from Makueni, Machakos, and Kitui District, at South Eastern Region Investment Conference (SEICO) preparatory meeting. (**Self-sponsored**).
2. **12<sup>th</sup> March 2011** at Park side Villa, Kitui Town, presented a concept paper entitled, “Investment Strategies for Sustainable Development of Kitui County”

to the Kitui County development steering committee and other delegates from Kitui County. The developers of the paper included Prof E. Mathu, Prof. Mutua F., Dr. Jacinta Kimiti, Dr. Muli B.K., Dr. Kimatu J.N., Dr. Kitheka J. , Eng. Kituu Gareth, Josiah Ngula. **(Self-sponsored)**.

3. **17<sup>th</sup> March 2011**, presented a Paper called, “The WATHI MWEU investment concept” to leaders of the Maendeleo ya Wanawake from all over the Kitui County at Maendeleo ya Wanawake hall in Kitui Town. **(Self-sponsored)**.
4. **18<sup>th</sup> March 2011**, attended a presummit seminar of the Kitui, Machakos and Makueni County on “unlocking the investment potential of the South Eastern Region” at Machakos Golf Club. I presented the Kitui County investment priorities as envisaged in the “WATHI MWEU investment concept”. **(Self-sponsored)**.
5. **26<sup>th</sup> March 2011**, attended and presented the investment priorities of Kitui County to a a Kitui County pre-summit workshop in Kitui Town, which also discussed the SWOT for the investment strategies at the park side villa, Kitui Town. **(Self-sponsored)**.
6. **2<sup>nd</sup> April 2011**, Attended the final persummit meeting in Kitui Town, evaluated the exhibitors, logistics and publicity committees reports and set the way forward. **(Self-sponsored)**.
7. **6<sup>th</sup> April 2011**, Attended the SEICO 2011 organizing committee meeting at Machakos golf club to evaluate the logistics and set up the conference programme. **(Self-sponsored but given 1 K by prof. Mathu)**.
8. **18<sup>th</sup> May 2011**, attended a workshop on the establishment of the Kenya Microbial Culture Collection Centre (KMCCC), at KWS headquaters, Nairobi, sponsored by the Leibniz-Institut DSMZ-Deutsche Sammlung von Mikroorganismen und Zellkulturen GmbH. Key presentation by Dr. Dagmar Fritze of DSMZ, of Germany. **(Self sponsored)**.
9. **7<sup>th</sup> April 2011** presented a paper entitled “Investment Strategies for Sustainable Development of Kitui County” at the 2011 SEICO Conference at Kenyatta Stadium, Machakos. **(Sponsored by SEUCO)**.
10. **8<sup>th</sup> April 2011**, presented a paper entitled’ Unlocking the Commercial Fruit Production in South Eastern Region” at the 2011 SEICO Conference at Kenyatta Stadium, Machakos. **(Sponsored by SEUCO)**.
11. **8<sup>th</sup> April 2011**, introduced and explained the role and prospects of the South

Eastern University College (A constituent of Nairobi University) to the Kenya's Vice President, Mr Stephen Kalonzo Musyoka at its stand at the SEICO 2011 Conference at Kenyatta Stadium, Machakos. **(Sponsored by SEUCO).**

12. **June 2011**, Participated in the Kenya Forest Research Institute open day at Kitui KEFRI station and represented the South Eastern University College in the displaying of its strategic potential in collaboration and partnership in research and innovation. **(Sponsored by SEUCO).**
13. **21<sup>st</sup> June 2011**. Participated in the advertisement and promotion of South Eastern University College (SEUCO) Programs and future strategic plans at an invited award ceremony gathering of 17 schools at St Charles Lwanga in Kitui Town. **(Sponsored by SEUCO)**
14. **June 28<sup>th</sup> 2011**, Participated in an Agricultural Show exhibitors meeting at ASK grounds at Machakos, to deliberate on the; constraints, regulations, and motivation of exhibitors for the ASK shows and to form networking for collaboration and research for various sectors. **(Sponsored by SEUCO)**
15. **June 30<sup>th</sup> – July 2011**. Participated in the Agricultural Show for the South Eastern Region at Machakos Town. In the stand to exhibit the South Eastern University College programs and products. We won the Best institution of higher Education award in the exhibition. The theme was, "Driving Agribusiness in Attaining Food Sufficiency and Vision 2030. . **(sponsored by SEUCO and partly self-sponsored)**
16. **September 15, 2011**, 12:30–2:30pm, at the University of Eastern Africa, Baraton, Nairobi Extension Centre. (Behind Yaya Center), Attended a Grand Challenges Explorations Workshop, called, Grand Challenges Exploration (GCE) Promotional Workshop Program UEAB, Nairobi Extension Centre. **(sponsored by SEUCO)**
17. **29<sup>th</sup> October 2011**: Attended a professional interactive seminar at the Garden Hotel, Machakos on ethnic diversity conversations of the Lower eastern region on the theme: Deconstructing our past differences to construct a shared future. It was organized by National Cohesion Integration commission (NCIC). **(sponsored partly by NCIC)**
18. **10<sup>th</sup> November 2011**: Attended a Kenya alliance of Resident Associations (KARA) public forum on HIV/AIDS-10, at Machakos Town, Garden Hotel. The seminar was supported by National AIDS control Council (NACC) The theme was Human rights and people living with HIV/AIDS. **(self-sponsored)**

### **(x). Other Symposiums and Seminars Attended and presented**

**March 20<sup>th</sup> 2007** by Prof Li Huang, Ph.D. Virus-Induced Gene Silencing for Functional Analysis in Monocots, Evolution of new disease specificity at a simple resistance locus in a weed-crop complex.

**28<sup>th</sup> May 2007.** 'Studies on centromere specification and the artificial chromosome platforms in maize'. By Dr James Bircher from University of Missouri-Columbia USA.

**28<sup>th</sup> May 2007.** 'Mitochondrial genomes and mutations in zea'. By Dr. Kathleen Newton of University of Missouri-Columbia USA.

**30<sup>th</sup> May 2007- 26<sup>th</sup> June 2007.** Dr. Jiming Jiang from University of Wisconsin Madison USA. on a one-month long seminar on the following topics. History of epigenetics research, DNA Methylation, Histone modification, Histone variants, RNA Interference, Position-effect variegation, RNAi and heterochromatin, X chromosome inactivation, Centromere function, Epigenetics and polyploid evolution, Paramutation, Imprinting.

**29<sup>th</sup> May 2007:** Topics: Molecular and cellular analysis of leaf senescence, Biology of the plant cell, Biosynthesis and functions of tocopherols (V<sub>E</sub>) by Prof Karin Krupinska from University of Kiel Germany.

**29<sup>th</sup> May 2007** Topic: Studies on Environmental techniques by: Dr. Luis Edgar Lowe, from the University of Colorado USA.

**31<sup>st</sup> May 2007.** The topics: Uncoupling protein in the alga *Chlamydomonas reinhardtii*. 'Potential uses of Microalgae for food and fuel' by:Dr. Sandra Lee Berry-Lowe From the University of Colorado USA

**7-8<sup>th</sup> December 2007.** An International symposium on Chloroplast Genomics and Genetic Engineering at Changchun China. Speakers like, Drs; Henry Daniell (USA), Oscar Ruiz (USA), Jackie Nugent (Ireland), Manuel Dubald (France), Rudolf Hagemann (Germany), Zanmin Hu (China) Anil Day (UK), Andreas Lossi (Austria). Topics: Chloroplast derived vaccines and biopharmaceuticals, plastid genome models, cytoplasmic male sterility, hyper accumulation system for phytoremediation of heavy metals. At Jilin Agricultural University Changchun, China.

**2008 年 3 月 17 日—3 月 26 日** by Prof Jurij Piškur of Cell and Organism Biology, Lund University, Sölvegatan, Topics: Degradation of nucleic acid precursors (TIG 2007 article), Deoxyribonucleoside kinases: (i) structure-function relationship, (ii) diversity, (iii) gene therapy and green chemistry (TIBS 2005), Yeast comparative genomics and evolution (TIG 2006).

**March 2008** by Prof Jihong Liu Clarke of USA. Topic: *Agrobacterium tumefaciens*-mediated transformation of poinsettia, *Euphorbia pulcherrima*, with virus-derived hairpin RNA constructs confers resistance to Poinsettia mosaic virus, [ paper was accepted: 20 February 2008; Springer-Verlag 2008.]

**6<sup>th</sup> July 2008** by Prof Jihong Liu Clarke of USA. Topic: maize transformation using *Agrobacterium tumefaciens*-mediated protocols. The future of transformation.

**10<sup>th</sup> February 2009.** Prof. Silin Zhong, PhD of University of Nottingham, UK. Plant molecular and cell Biology development biology, plant hormone signaling and epigenetics, fluorescence imaging, protein interaction and microarray analysis: seminar on RNA methylation, a new player in epigenetics; A novel post-transcriptional mRNA modification essential for growth and differentiation.

**10<sup>th</sup> Tuesday, March 2009.** Dr. Jagmeet Singh Kanwal, of Georgetown University, USA. Studies on functional organization of the brain and neural coding of sensory information. The model of bats in learning communication through speech, music and non-verbal sounds. Neural Analysis of Social communication in bats.

**21<sup>st</sup> April 2009.** Genome analysis seminar: High throughput sequencing using GS FLX sequencing system. Use of oxy-luciferin in sequencing. Transfection and cytotoxicity of cell assays Nucleic acid amplification, transcript cDNA. synthesis, X celligence system (Teal Time cell analyzer; RTCA), microarray analysis platforms like CGH, ChiP-chip, DNA methylation, Comparative Genome sequencing, hybridization and gene expression. Sponsored by ROCHE; [www.roche-applied-science.com](http://www.roche-applied-science.com). at Jilin University Changchun China.

**23<sup>rd</sup> April 2009.** Cell and nucleic acid analysis seminar: The management of cell culture, use of media like, EMEM, CDM, DPBS etc. The use of supplements like, L-Glutamine, trypsin, tryLE etc. The analysis of Gene Expression: cell free expression systems, enhanced expression systems in eukaryotes, yeast, insect, viral and mammalian systems. Use of fluorescent protein vectors. Transient transfection for rapid protein production. Sponsored by invitrogen. [www.invitrogen.com.cn](http://www.invitrogen.com.cn)

**27<sup>th</sup> April 2009.** Prof Diter Von Wittstein of Washington State University USA. Seminar Topics: Map based cloning, Function, transformation, Resistance patterns; Rpg5 and rpg4 genes in barley resistance against *puccinia graminis*, Clone based mapping.

**25<sup>th</sup> May 2009.** Molecular Advances in cotton research from Prof. Wendals Laboratory in USA. Title: Characterizing changes of Rubisco genes in the polyploidization of Cotton (*Gossypium*). Rubisco: Ribulose 1,5 biphosphate carboxylase/oxygenase. By Gonglei. At Northeast Normal University, Changchun China.

**25<sup>th</sup> September 2009.** The importance of phytochlorophyllide oxidoreductase into etioplasts and chroloplasts. By Prof Diter Von Wettstein, From Barley Genetics Washington University, USA.

**28<sup>th</sup> September 2009.** Artificial MicroRNAs for gene silencing. By Prof Diter Von Wettstein, From Barley Genetics Washington University, USA.

**30<sup>th</sup> September 2009.** Metabolic Engineering of Maize Carotenoid Content Through Combinatorial Genetic Transformation. By Prof Changfu Zhu. From *Departament de Produccio Vegetal i Ciencia Forestal, Universitat de Lleida, Av. Alcalde Rovira Roure, 191, 25198, LLEIDA, Spain*

**9<sup>th</sup> October 2009.** Biofortification of essential minerals and vitamins in higher plants: strategies, achievements and prospects. By Prof Changfu Zhu. From *Departament de Produccio Vegetal i Ciencia Forestal, Universitat de Lleida, Av. Alcalde Rovira Roure, 191, 25198, LLEIDA, Spain*

**22<sup>nd</sup> October 2009.** Centromere inactivation and reactivation reveal both genetic and epigenetic components for centromere specification. By Prof. Han Fangpu, from State Key Laboratory of Plant Cell and Chromosome Engineering, Institute of genetics and developmental biology, Chinese academy of sciences, Beijing 100101, China

**15<sup>th</sup> April 2010.** Molecular studies in bread wheat and in Jute. Polymorphism Studies Using EST-SSRs. Association Mapping: Markers & Genotypes. Disrupted Meiosis cDNA1 (DMC1). Targeting DEMETER. By Dr. Sachin Rustgi (to be awarded with the Indian government presidential award for excellent researcher 2010). From Washington State University, Pullman, USA.

**16<sup>th</sup> April 2010.** Bioinformatics in genome molecular studies. "*In silico* biology:

Time to go digital".Tools & databases for Genomics. Analysis of TILLING mutants. CpG island identification. Designing of amiRNAs. Development of Molecular Markers (SSRs and SNPs) from wheat ESTs. By Dr. Richa Gemini from Washington State University Pullman (WA) USA

**20<sup>th</sup> - 21<sup>st</sup> May 2010**; Neocentromere formation, Cenchromation (CENH3), DNA cytosine methylation, Fiber Fish, BAC Marker, Pachytene FISH, Fiber FISH of cpDNA, Extended chromatin fibers, immuno fluorescence assays on chromosomes, Superstretched pachytene, 5 Methylcytosine on fibers. By Prof Jiang Jiming, Ph.D., Kansas State University, 1993, Postdoctoral Research: Yale University; Professor of Horticulture.

#### **(y). International Seminars and workshop presented**

1. **19<sup>th</sup> – 23<sup>rd</sup> November 2018**, International conference on **Science Technology and Innovation For Sustainable Development In Dryland Environments**. At Umma University, Kenya. Sponsored by DAAD.
2. **3<sup>rd</sup>- 4<sup>th</sup> December 2018**, GlobE Pan African conference at Sawela Lodge Naivasha, Kenya, by DAAD partners in East Africa. Discussing on the 5 year research activities.
3. **22<sup>th</sup>-26<sup>th</sup> September 2008** Presented a paper entitled "**Advancing from Biotechnology to Nanotechnology, the current and Future Benefits in Agriculture and Food products** " in the First all Africa Congress in Biotechnology in Nairobi Kenya.
4. **11<sup>th</sup> August 2008**. Came from China to Present a seminar entitled "**Advances in Molecular marker selections in crop Breeding**" with aspects of epigenetics and nanotransfer of genes in crops to researchers and professional at Kenya Agricultural research institute (KARI), at Katumani Station, Machakos, Kenya.

#### **(z). Crucial Extra Curriculum Activities Undertaken in SEKU**

1. Prof. Josphert Kimatu has been the **Patron of the Christian Union** of South Eastern Kenya University from **2011 to date**.
2. Dr. Josphert Kimatu is the current **Patron on Ethics and Integrity club** of South Eastern Kenya University.
3. Dr. Josphert Kimatu has being a **Mentor of Teaching practice** education students in South Eastern Kenya University and also went for teaching practice to supervise SEKU students in the field.
4. Dr. Josphert Kimatu initiated and established **MOUs** with National Museums of Kenya and SEKU, NENU of China and SEKU and SEKU

with TUM of Germany.

2. Dr. Josphert Kimatu has been an instrumental contributor of the **Deans Committee and Senate** of the South Eastern Kenya University from 2014-2018.

#### **(aa). Motivation Talks and Trainings I offered**

1. **24<sup>th</sup> June 2021**: Trained staff and Researchers of South Eastern Kenya University of Consultancy Skills and Grant winning proposal writing; under the Directorate of income Generation.
2. Thurs on **27<sup>th</sup> May 2021**; trained South Eastern University staff on how to write research Publication Manuscripts on the Zoom platform.
3. **1<sup>st</sup> December 2021**: Trained South Eastern Kenya University of HIV and AIDS prevention and the global theme of the 2021 world AIDS day.
4. **30 January 2018** A student motivation talk at Mbitini Girls High school, Kitui County. Topic: demystifying science subjects
5. **20-22 March 2018** Training on Ethics, Integrity and anticorruption to South Eastern Kenya University, Management, Staff and students at Kitui County, Kenya.
6. **28 March 2018** Training on HIV and AIDS to students of South Eastern Kenya University, doing the cultural week, at the main Campus, Kitui.

#### **Trainings in 2024**

1. **15<sup>th</sup> January, 2024**: Attended an Online Leave Application Training at South Eastern Kenya University for teaching and non-teaching staff. Sponsored by Kenya Government, facilitated by the ICT and HR Directorates of SEKU., Kenya.

#### **(bb). Church Life and Community Service**

1. I was born, raised and baptized in the African Inland Church (**AIC**), Kasinga at Mumbuni Location, Machakos. (1969-1980)
2. Went to Mua Hills and **established Mutalani AIC** (1980-1993) serving as Sunday School Teacher, Battalion Captain, Youth Leader and Assistant Pastor.
3. **2013**: Started Lukenya Bible school and registered it with the Team Impact Christian University, of USA. [www.josphert.com](http://www.josphert.com)
4. **2017 to date**: Appointed Chairman of Nthuluni Primary School, which has been top ten best in Kinanie Mathatani ward, in Mavoko Constituency.
5. **2021**: Appointed Board Member of Ukia Girls Secondary School,

Makueni.

6. **2021:** Started Tendo Preschool for CBC, PP1 and PP2 as the founder and Director.
7. Prof. Josphert Kimatu has been the **Patron of the Christian Union** of South Eastern Kenya University from **2011 to Date**.

**(cc). Plants / organisms which I have done research on**

| SN  | Plant Name                         | Year of research | Main use of the plant               | Journal Published                                                                                      |
